

# How to fix a Swimming pool leak

Shows resealing most areas where a pool can leak. This fixed my slow pool leak.

Written By: jon

## Step 1 — How to fix a Swimming pool leak

- I found it impossible to find my slow leak, I think it was multiple places around a poorly sealed join to the steps. So I went over it all resealing. It fixed it. Here's my video <https://youtu.be/l96S8g2BTv0>

See the video for how to fix common slow pool leaks
